The screenshot shows a movie application interface. On the left is a dark sidebar with navigation options: 'Search Online' (magnifying glass icon), 'Upcoming' (calendar icon), 'Now Playing' (film strip icon), 'Popular' (person icon), 'Top Rated' (star icon), and 'My Favorites' (heart icon). The main content area displays details for the movie 'The Lone Ranger'. At the top, there's a 'Cast:' section with a list of actors and their roles, each accompanied by a small portrait photo and a magnifying glass icon for further search. Below this, the movie title 'The Lone Ranger' is shown, followed by its rating 'PG-13', runtime, release date, director 'Gore Verbinski', cast list 'Johnny Depp, Armie Hammer, William Fichtner', country 'United States of America', and genre 'Action & Adventure & Western'. To the right of the text is a movie poster for 'The Lone Ranger' and a 'View Trailer' button. At the bottom, there's an 'Overview:' section with a paragraph of text and three links: 'View on TMDb', 'View on IMDb', and 'View on iTunes'. A 'Homepage' link is also present in the bottom right corner. Two red arrows with text annotations point to specific elements: one points to the 'Popular' sidebar item, and the other points to the magnifying glass icon next to Johnny Depp's name in the cast list.
